Citizen Communication:

Brian Stewart, 648 Hemlock Drive (Woodland Acres, top row), stepped forward. Mr. Stewart began that he had spoken to Chase about this issue. He said he felt this is the only way they would be able to get a decent road into their subdivision. He said the road would need to be paved from the entrance to the back driveway as log trucks would mash the road to mush. He reiterated that if it is done the right way, he does not object.

No one else spoke.

Council Communication: None.

There being no further business on this issue, Mayor Ted Collins declared the public hearing closed. The meeting adjourned at 4:53 PM.
